Duration:

Until a winner/winners is determined.

The Tournament Director reserves the right to call time and suspend action on a tournament, at their ultimate discretion if they believe it will not be completed within a twelve-hour period for that day's play, or to support any other responsible gambling initiative as deemed necessary. If time is called by a Tournament Director, the remaining players will return the following day at an agreed time to continue play and complete the tournament. Returning players will be seated at the same table and seat number when time was called and play was suspended on the previous day. The Tournament Director will advise the returning players of the blind schedule prior to the commencement of the day's play.

Entrants may decide to Chop the prize money once the tournament reaches a certain stage. To initiate a Chop, all remaining Entrants must agree on the amount/percentage each Entrant will receive of the remaining prize pool amount. Management will not be responsible for the amounts agreed on for a Chop agreed to by Entrants.

Betting Format:

No Limit Texas Hold'em

Tournament Format:

The maximum number of entrants for tournaments will be determined by the number of tables available for each event up to a maximum of 200 players with a minimum of 2 entrants required to commence each tournament. Players are permitted to enter prior to the completion of the late registration period.

The number of tables used will be determined by the number of entries received by the start of the tournament, with the number of Entrants being adjusted to evenly distribute entrants between tables. Once all available seats have been allocated on these tables, every Entrant who enters the tournament prior to the completion of the registration period, will be considered an alternate.

An Entrant who enters prior to the end of registration and is not an alternate will have their starting stack placed on the table and all scheduled blinds as per the tournament structure will be posted from their stack by the dealer. An Entrant who is considered an alternate will be seated with a full starting stack when their seat becomes available. Alternate players will be seated before re-entry players.

The Casino Operator reserves the right to cancel a tournament with less than 10 entrants.

2. ENTRY FEE

The Casino Operator for promotional purposes, reserve the right to pay the Entry Fee and Administration Fee for a player into any tournament.

All Entry Fees are used exclusively as prizes.

3. PRIZE POOL DIVIDENDS

The total value of the Prize Pool will be the Entry Fee multiplied by the number of players, with the cash component of the Prize Pool broken down and paid in accordance with the Cash Payout scale attached. (Appendix a.)

*Cash prizes may be paid in cash, chips, electronic funds transfer, cheque or by transfer to a front money account at The Star Gold Coast or Treasury Brisbane at the discretion of the Casino Operator.

Bounty Tournament:

At the commencement of the tournament, each entrant will receive a Bounty Chip with their starting stack. When an entrant goes "All-In", they will be required to add their Bounty Chip to the pot. The winner of the pot will either retain or win the Bounty Chip/Chips. Each Bounty Chip will have a cash value which can be redeemed at the end of the entrant's involvement in the tournament. An entrant can only win another players original Bounty Chip.

shall be folded; and/or

7.15.2 may declare the tournament Entrant's position cancelled and the entrant disqualified. Once disqualified an Entrant will not be entitled to a refund of the entry fee, except on the approval of the Tournament Director and will not be entitled to retain the value of any tournament chips in their possession at the time of disqualification.

7.16 An Entrant shall not lend or borrow Tournament Chips at any time.

7.17 Each Entrant is required to display in clear view of other Entrants and table supervisors, all Tournament Chips being held at any one time and those chips must be stacked in denomination. The dealer or supervisor may direct that an Entrant's chips be arranged such that the total value of those chips may be determined. Concealing, pocketing or otherwise hiding chips during tournament play may result in immediate and irrevocable disqualification. No such Tournament Entrant shall be entitled to a refund of entry fee, re-entry, buy-in, re-buy or add-on and will not be entitled to retain the value of any tournament chips in their possession at the time of disqualification.

7.18 Where two or more all-in Entrants who would have been eligible for a place in the tournament, are eliminated in the same round of play:

If Entrants are eliminated from different tables, the placing/placings shall be equally shared among those Entrants.

(a) If the Entrants are on the same table, then the order of placings will be determined by the table stake with the Entrant/Entrants with the largest table stake prior to the start of the hand being declared the higher placegetter.

7.19 Play may go to hand for hand on all tables when multiple tables are in play and:

(a) the bubble is approaching;

(b) the number of Entrants left just exceeds the required number for the final table;

During hand for hand play, each hand will run the same pre-determined amount of time. The standard time allocated will be 2-minutes per hand regardless of how long the hand takes. Once the 2-minute limit has been reached, the Tournament Director or Supervisor will pause the clock until the next hand commences. Blinds continue to increase as time elapses off the clock at the rate of 2 minutes per hand and new levels are reached.

7.20 Blinds and antes are raised at scheduled intervals. At the end of a designated blind level, the new limits will apply on the next deal. (A deal begins with the cutting of the cards).

7.21 Where an Entrant has lost their entire table stake, they will be eliminated and must vacate the tournament table. However, where a tournament permits, Entrants may re-enter a tournament within the registration periods, and will be re-seated with a full starting stack of tournament chips once a seat becomes available.

7.22 The Tournament Director may determine the method of allocating tables and playing areas to tournament Entrants, the order of wagering, the method of balancing and breaking tables, and any other conditions providing those conditions are consistent with the relevant rules of the tournament.

THE STAR ENTERTAINMENT GROUP – QUEENSLAND

- 7.23 Where an Entrant is re-seated, they will assume all rights and responsibilities of their new position. An Entrant moving to a new table is eligible to be dealt a hand in any position and will post blinds when and as required except if they are seated in between the button and the small blind.
- 7.24 Once the Entrant make-up for the final table has been determined Entrants will redraw for seating positions.
- 7.25 Entrants should act in a timely manner to maintain a reasonable pace of the game. If in the Tournament Director's (**TD**) judgement reasonable time has passed, the TD may call the clock or approve a clock request by any other entrant in the event. Entrants must be at their seats to call for a clock. An entrant on the clock has up to 25 seconds plus a 5 second countdown to act. If the Entrant faces a bet and time expires, the hand is dead; if not facing a bet, the hand is checked. All wagers made by that Entrant will remain in the pot.
- 7.26 The Tournament Director reserves the right to direct any Entrant considered to be unduly delaying the game to expedite their play. Entrants unduly delaying a tournament may incur a penalty as determined under rule 7.39.
- 7.27 If an Entrant lacks sufficient chips for a blind, the Entrant is still entitled to go all-in with their remaining table stake. Where a Big Blind Ante is in play, The Ante will be posted before the blind.
- 7.28 All cards will be turned face-up (table cards) without delay once an Entrant is all-in and all betting action by all other Entrants in the hand is complete.
- 7.29 To claim a pot, entrants must turn (table cards) all their cards face up on the table, allowing the dealer and entrants to read the cards clearly. All cards means both hole cards in Texas Hold'em and all four cards in Omaha.
- 7.30 During Hand for Hand, where there has been an All-In and a call and there is no further action for that hand, those cards will remain face down until action is completed on the remaining tables.
- 7.31 Verbal affirmations as to the content of an Entrant's hand are not binding.
- 7.32 Oversized Chip Betting: A single oversized chip (including an entrants last chip) is a call if raise isn't first declared. To raise with an oversized chip, the entrant must declare raise before the chip hits the table surface. If raise is declared but no amount is stated, the raise is the maximum allowable for the chip. If not facing a bet, pushing out an oversized chip silently (no declaration) is a bet of the maximum for the chip.
- 7.33 An Entrant who bets unannounced with two chips of the same denomination totaling more than the amount to call and less than the minimum amount to raise (and one chip value is less than the previous bet), will be considered a call.
- 7.34 Acceptable methods of calling by entrants include:
- (a) Saying "Call"
 - (b) Pushing out chips equal to the amount to call
 - (c) Silently pushing out an oversized chip; or
 - (d) Silently pushing out multiple chips equal to a call under the multi-chip rule (7.32)

- 7.35 Any action out of turn (check, call, or raise) will be backed up to the correct entrant in order. The out of turn action is subject to penalty and is binding if action to the out of turn Entrant does not change. A check, call or fold by the correct Entrant does not change action. If action changes, the out of turn action is not binding; any bet or raise is returned to the out of turn entrant who now has all options: call, raise, or fold. An out of turn fold is binding.

Example 1.

Post flop Seat 3 opens for 300, Seat 4 folds, action is on Seat 5 when Seat 6 declares "raise to eight hundred".

Step 1: Action backs up to the correct entrant in order (Seat 5) who is facing a bet of 300.

Step 2: If Seat 5 calls or folds then the action (a 300 bet) has not changed and Seat 6's out of turn raise is binding (raise to 800). However, if Seat 5 raises to 600 total, then the action to Seat 6 has changed from a 300 bet to a 600 bet. If action changes, the 800 chips may be returned to Seat 6 who has all options open: call 600, re-raise to at least 900, or fold.

Example 2.

Post flop Seat 3 checks, Seat 4 checks, action is on Seat 5 when Seat 6 declares "check".

Step 1: Action backs up to the correct entrant in order (Seat 5) who is not facing a bet.

Step 2: If Seat 5 checks, then the action (a check) has not changed and Seat 6's out of turn check is binding. However, if Seat 5 bets, (say, 300), then the action to Seat 6 has changed from a check to a 300 bet. If action changes, then Seat 6 has all options open: call 300, raise to at least 600, or fold.

- 7.36 Entrants skipped by out of turn action must defend their right to act. If a skipped entrant had reasonable time and does not speak up before substantial action out of turn occurs after the entrant, the out of turn action is binding. Action backs up and the floor will rule on how to treat the skipped entrant given the circumstances, including ruling the hand dead or limiting the entrant to non-aggressive action.
- 7.37 During a Bounty Tournament, an Entrant will be assumed to have gone All-In if they throw in their Bounty Chip during a round of betting.
- 7.38 Where only two Entrants remain in the game, all rules pertaining to the order of wagering and order of play shall be amended to the extent that the designated Entrant will be the first to place the blind and shall be the first to bet or fold in the first betting round.
- 7.39 The Casino Operator will not charge a participation fee nor charge commission on any round of play during the tournament.
- 7.40 Penalties may be imposed at the Tournament Director's discretion. Penalties available for use shall be verbal warnings and/or missed hands or missed orbits. Missed hands or orbit penalties

THE STAR ENTERTAINMENT GROUP – QUEENSLAND

may include 1, 2, 3 or 4 orbits away from the table. During penalties of missed hands or orbits, the Entrant must remain away from the table. Cards are dealt to the Entrants seat, and blinds and antes will be posted from the Entrants stack as required, with the hand mucked after each initial deal. In extreme circumstances an Entrant may face disqualification. An Entrant who is disqualified shall have their chips removed from play.

- 7.41 An Entrant who exposes their hand during a round of play will not have their hand folded but may incur a Penalty.
- 7.42 Tournament Entrants must not advise or seek advice from another tournament Entrant or person not involved in the tournament during play.
- 7.43 From time to time, the Tournament Director will substitute Entrant's chips of lower denominations with chips of higher denominations -'Chip Race'. To the extent that an entrant's lower denomination chips fail to evenly amount to the value of the new higher denomination chip (respectively, "Odd Chips", "New Chip"), the Chip Race will proceed as follows:
- (a) The total value of all Odd Chips on the table is tallied.
 - (b) As many New Chips as together wholly equate to the value of the Odd Chip tally are set aside for play and as many of the Odd Chips as equate to the value of those New Chips are removed from play.
 - (c) If the value of the remaining Odd Chips (if any) equates to less than 50% of the value of a single New Chip, those Odd Chips are removed from play and no further New Chips are set aside for play. If the value of the remaining Odd Chips equates to 50% or more of the value of a single New Chip, a single New Chip is set aside for play and those remaining Odd Chips are removed from play (e.g., Totals of \$150 and \$175 of \$25 denomination would equal 2 x \$100 chips for the race).
 - (d) A "Race-off" is conducted to award the New Chips to Entrants who possessed Odd Chips. Starting at the first seating position to the left of the dealer, the dealer will deal cards to Entrant's face-up. Each Entrant will be dealt a number of cards corresponding to the number of Odd Chips they possess.
 - (e) The Entrant with the highest card value receives a New Chip and in sequence each Entrant with the next highest card value receives a New Chip until there are no further New Chips in the Race-off. If 2 Entrants have the same value card and there is one chip left an additional card will be dealt to each of these Entrants.
 - (f) Each Entrant may receive a maximum of one chip in any given Chip Race.
 - (g) If, following a Race-off, an Entrant has no chips of any denomination, that Entrant will receive a single chip of the lowest denomination in play.
 - (h) If after a Race-off is completed, an entrant still has chips of a removed denomination, they will be exchanged for current denominations only at equal value. Chips of removed denominations that do not fully total at least the smallest denomination in play will be removed without compensation.
- 7.44 It is the Entrant's responsibility to always protect their hand. If a dealer mucks an unprotected hand, the Entrant will have no redress and will not be entitled to have any wagered chips

THE STAR ENTERTAINMENT GROUP – QUEENSLAND

returned. An exception would be if an Entrant raised and the raise had not been called yet, the Entrant would be entitled to receive the raise back.

- 7.45 It is the Entrants responsibility to determine the correct amount of an opponent's bet before calling, regardless of what is stated by the dealer or other Entrants. If an Entrant requests a count for the amount to call but receives incorrect information from the dealer or entrants, then places that amount in the pot, the Entrant is assumed to accept the full correct action and is subject to the correct bet or all-in amount.
- 7.46 Entrants may not talk on a phone at the table. Ring tones, music, images, video etc. should be inaudible and non-disturbing to others. Betting apps and charts may not be used by entrants with live hands. These and other devices, tools, photography, videography, and communication must not create a nuisance, delay the game, or create competitive advantage. Violations may be subject to penalties held under Rule 7.39.
- 7.47 Action Clock Rules
- a) The Action Clock will be introduced into play at the start of Play for the below tournaments with each Entrant receiving time-bank chips (**TBCs**) based on the tournament schedule.
 - b) The Action Clock will be controlled by the dealer.
 - c) The dealer will start the Action Clock following the completion of each deal once the last card has been dealt. Time will begin for an entrant once the natural flow of play has come to a brief pause pending their action and be reset to the corresponding time for the next entrant to act.
 - d) When a bet or raise has been made, the dealer will first count the bet or raise size, announce the amount, and then start the clock for the next action. If an entrant calls the bet, the dealer will reset the clock to begin the next entrant's action.
 - e) Entrants should keep all remaining time-bank chips with them throughout the duration of the tournament once the Action Clock has been implemented into play.
 - f) Time-bank chips are to be treated with the same level of importance as tournament chips and must be visible on the table and when entrants are directed to move tables.
 - g) Each TBC will add an additional amount of time to act as per the schedule.
 - h) Entrants will automatically forfeit one (1) TBC each time the action clock reaches zero (0) and will be instructed by the dealer to turn in the corresponding amount of TBCs used at the completion of their action. Entrants are not responsible for handing TBCs to the dealer in real time.
 - i) An entrant placing multiple TBCs forward for additional time, will relinquish the full amount of TBCs pushed forward, even if the full amount of time has not been used to complete their action.
 - j) In the event that an entrant does not have any remaining TBCs, and the action clock reaches zero (0), the entrant's hand will be declared dead, or the player will be forced to check if facing no action.
 - k) Once in play, the action clock will be used until the completion of the tournament and will not be suspended.
