## Brisbane Champs Flip Satellites for

- Main Event Flip Satellite

- Opening Event Flip Satellite

may be conducted on demand. An expression of interest list will be maintained at the poker desk. Once the required number of entrants have been confirmed, a Flip Satellite will be conducted as per the approved structure.

**Duration:**

Until a winner is /winners are determined.

The Tournament Director reserves the right to call time and suspend action on a tournament, at their ultimate discretion if they believe it will not be completed within a twelve-hour period for that day's play, or to support any other responsible gambling initiative as deemed necessary. If time is called by a Tournament Director, the remaining entrants will return the following day at an agreed time to continue play and complete the tournament. Returning entrants will be seated at the same table and seat number when time was called, and play was suspended on the previous day. The Tournament Director will advise the returning entrants of the blind schedule prior to the commencement of the day's play.

Entrants may decide to Chop the prize money once the tournament reaches a certain stage when all remaining players are eligible for a prize payout (in the money). To initiate a Chop, all remaining Entrants must agree on the amount/percentage each Entrant will receive of the remaining prize pool amount. Casino Management will not be responsible for the Chop amounts agreed to by Entrants.

**Betting Format:**

No Limit Texas Hold'em & Omaha Poker

**TOURNAMENT AND SATELLITE FORMAT**

The maximum number of entrants for all tournaments and satellites will be determined by the number of tables available for each event up to a maximum of 800 entries for all tournaments. A minimum of 2 entrants is required to commence each tournament or satellite.

The number of tables used will be determined by the number of entries received by the start of the tournament, with the number of Entrants being adjusted to evenly distribute Entrants between tables. Once all available seats have been allocated on these tables, every Entrant who enters the tournament prior to the completion of the registration period, will be considered an alternate.

An Entrant who is considered an alternate will be seated with a full starting stack when their seat becomes available. Alternate Entrants may be seated before re-entry Entrants.

The Casino Operator reserves the right to cancel a tournament with less than 10 Entrants.

**2. ENTRY FEE**

The Casino Operator reserves the right to pay the Entry Fee and Administration Fee for an Entrant into any tournament or satellite.

All Entry Fees are used exclusively as prizes.

### 3. PRIZE POOL DIVIDENDS

#### Satellites

Entrants in the satellite compete to win a Tournament entry with the satellite playing down until the remaining prize pool is less than the Tournament entry fee, with this remaining prize pool being awarded as a single cash\* prize to the next placegetter. Entrants are only eligible to win one Tournament entry or cash\* prize in a satellite.

Satellites will be run as per the attached schedule but may be offered at the discretion of the Casino Operator if there is sufficient interest from players.

All Satellites conducted prior to and during the Brisbane Champs (June 27- July 22, 2025) will have Action Clocks introduced from the commencement of play and players will have 20 seconds to act. There will be no time bank chips allocated for satellites and all satellites will be subject to Action Clock Rule 7.48.

In Milestone satellites, an Entrant who accumulates the required amount of tournament chips (specific amount of chips required to win a seat as per the table below) or more will be awarded one entry into the corresponding tournament, with the value of the entry taken from the total satellite prize pool. Upon verification from the Tournament Supervisor that the entrant has achieved the milestone, the entrant will cease play, receive their entry and the total of their chips will be removed from play as per rule 7.49.

  - Schedule 10 s. 44(1)(2)(3)(4)(5)(6)(7) altered to Tournament Poker Rule 7.36 and 7.37
- 7.3 Satellite tournaments will be conducted in accordance with these terms and conditions and the approved tournament Rule. Prize details will be available to all entrants prior to the commencement of the satellite tournament.

- 7.4 A tournament prize pool will consist of all entry fees together with any re-entries. The total value of the Prize Pool will be the Entry Fee multiplied by the number of Entrants, with the cash\* component of the Prize Pool broken down and paid in accordance with the relevant Appendix.
- 7.5 The Casino Operator may, at its discretion, add value to the prize pool in the form of cash\*, approved gaming vouchers, or goods or services.
- 7.6 Prior to the beginning of play, all Entrants will be designated a specific table number and seating position at which to play. This shall be determined through computer generated random seating allocation.
- 7.7 Seating assignments may be altered to ensure that entrants who are known by the Tournament Director to be connected by family or association play at different tables or are separated on the final table.
- 7.8 The number of entrants allocated to a table shall be determined by the Tournament Director and is dependent upon the number of participants in the tournament. Play will commence on a table where four or more players have taken their seats unless otherwise directed by the Tournament Director not to commence.
- 7.9 All Entrants must provide their name for recording purposes to the table Supervisor upon request.
- 7.10 All Entrants will be allocated a table stake of Tournament Chips at the commencement of play.
- 7.11 At the conclusion of the tournament heat or final, the Entrants shall return all tournament chips which shall be counted by the staff to determine that their number and value is equal to the number and value of tournament chips issued to be used for that tournament heat or final.
- 7.12 At the end of a re-entry period or at the completion of play during a multi-flight tournament, should an Entrant have equal to or less than their Starting Stack they will be given the option of forfeiting these chips and therefore being able to buy back into the Tournament. If the Entrant chooses this option, their chips will be removed from play immediately. If the Entrant chooses not to use this option, they will continue play with those chips remaining. In the event of a multi-flight tournament, their remaining chips will be bagged as per normal procedure for the Entrant's return on Day 2 of the Tournament.
- 7.13 If an Entrant is not present at the table at the start of the tournament, then that Entrant shall have their table stake placed in their seat position and blinds will be posted from their table stake as required by the blind structure. If an Entrant has not taken their position by the completion of Level 4 of the Blind Structure, the Tournament Director may declare that the Entrant is "Provisionally Eliminated" and the remainder of that Entrant's stake will be removed from play. If the Entrant arrives later in the day, a calculation is made to determine the number of blinds and antes that would have been taken from their stack and their stake returned to play.
- 7.14 If an active Entrant is not present at the table at the start of a round of play, cards will be dealt to their betting position and if that Entrant is required to place a blind bet and/or Ante Bet, appropriate blind bets and/or Ante Bets will be placed from their table stake.

- 7.15 Entrants are required to post the Small Blind, Big Blind and Big Blind Ante as per the Blind Structure. The "Small Blind" is a mandatory wager that the first player to the left of the dealer button places for a round of play with the "Big Blind" being a mandatory wager placed by the second player to the left of the dealer button for a round of play. The "Big Blind Ante" is a single Ante posted by the player in the Big Blind position and in the amount of the Big Blind. The Big Blind will be posted before the Big Blind ante.
- .
- 7.16 If an active Entrant is not present at the table to act on their hand the Tournament Director:
- 7.16.1 shall direct the dealer to deal the cards to the absent Entrant's position as though they are present. Should the entrant still not be present at the completion of the initial deal the hand shall be folded; and/or
- 7.16.2 may declare the tournament Entrant's position cancelled and the entrant disqualified. Once disqualified an Entrant will not be entitled to a refund of the entry fee, except on the approval of the Tournament Director and will not be entitled to retain the value of any tournament chips in their possession at the time of disqualification.
- 7.17 An Entrant shall not lend or borrow Tournament Chips at any time.
- 7.18 Each Entrant is required to display in clear view of other Entrants and table supervisors, all Tournament Chips being held at any one time and those chips must be stacked in denomination. The dealer or supervisor may direct that an Entrant's chips be arranged such that the total value of those chips may be determined. Concealing, pocketing or otherwise hiding chips during tournament play may result in immediate and irrevocable disqualification. No such Tournament Entrant shall be entitled to a refund of entry fee, re-entry, buy-in, re-buy or add-on and will not be entitled to retain the value of any tournament chips in their possession at the time of disqualification.
- 7.19 Where two or more all-in Entrants who would have been eligible for a place in the tournament, are eliminated in the same round of play:
- (a) If Entrants are eliminated from different tables, the placing/placings shall be equally shared among those Entrants.
- (b) If the Entrants are on the same table, then the order of placings will be determined by the table stake with the Entrant/Entrants with the largest table stake prior to the start of the hand being declared the higher placegetter.
- 7.20 Play may go to hand for hand on all tables when multiple tables are in play and:
- (a) the bubble is approaching.
- (b) the number of Entrants left just exceeds the required number for the final table.
- During hand for hand play, each hand will run the same pre-determined amount of time. The standard time allocated will be 3-minutes per hand regardless of how long the hand takes. Once the 3-minute limit has been reached, the Tournament Director or Supervisor will pause the clock until the next hand commences. Blinds continue to increase as time elapses off the clock at the rate of 3 minutes per hand and new levels are reached.
- 7.21 Blinds and antes are raised at scheduled intervals. At the end of a designated blind level, the new limits will apply on the next deal. (A deal begins with the cutting of the cards).

Single Ante will be posted by the entrant in the big blind, in the amount equivalent to the big blind with the big blind posted before the Ante. Ante is maintained until the completion of the tournament.

In Omaha games, the Big Blind Ante is not counted as part of the pot pre flop.

- 7.22 Where an Entrant has lost their entire table stake, they will be eliminated and must vacate the tournament table. However, where a tournament permits, Entrants may re-enter a tournament within the registration periods, and will be re-seated with a full starting stack of tournament chips once a seat becomes available.
- 7.23 The Tournament Director may determine the method of allocating tables and playing areas to tournament Entrants, the order of wagering, the method of balancing and breaking tables, and any other conditions providing those conditions are consistent with the relevant rules of the tournament.
- 7.24 Where an Entrant is re-seated, they will assume all rights and responsibilities of their new position. An Entrant moving to a new table is eligible to be dealt a hand in any position and will post blinds when and as required except if they are seated in between the button and the small blind.
- 7.25 Once the Entrant make-up for the final table has been determined Entrants will redraw for seating positions.
- 7.26 Entrants should act in a timely manner to maintain a reasonable pace of the game. If in the Tournament Director's (**TD**) judgement reasonable time has passed, the TD may call the clock or approve a clock request by any other entrant in the event. Entrants must be at their seats to call for a clock. An entrant on the clock has up to 25 seconds plus a 5 second countdown to act. If the Entrant faces a bet and time expires, the hand is dead; if not facing a bet, the hand is checked. All wagers made by that Entrant will remain in the pot.
- 7.27 The Tournament Director reserves the right to direct any Entrant considered to be unduly delaying the game to expedite their play. Entrants unduly delaying a tournament may incur a penalty as determined under rule 7.41.
- 7.28 If an Entrant lacks sufficient chips for a blind, the Entrant is still entitled to go all-in with their remaining table stake. Where a Big Blind Ante is in play, The Big Blind will be posted before the Ante.
- 7.29 All cards will be turned face-up (table cards) without delay once an Entrant is all-in and all betting action by all other Entrants in the hand is complete.
- 7.30 To claim a pot, entrants must turn (table cards) all their cards face up on the table, allowing the dealer and entrants to read the cards clearly. All cards means both hole cards in Texas Hold'em and all four cards in Omaha.
- 7.31 During Hand for Hand, where there has been an All-In and a call and there is no further action for that hand, those cards will remain face down until action is completed on the remaining tables.
- 7.32 Verbal affirmations as to the content of an Entrant's hand are not binding.

- 7.33 Oversized Chip Betting: A single oversized chip (including an entrants last chip) is a call if raise isn't first declared. To raise with an oversized chip, the entrant must declare raise before the chip hits the table surface. If raise is declared but no amount is stated, the raise is the maximum allowable for the chip. If not facing a bet, pushing out an oversized chip silently (no declaration) is a bet of the maximum for the chip.
- 7.34 An Entrant who bets unannounced with two chips of the same denomination totalling more than the amount to call and less than the minimum amount to raise (and one chip value is less than the previous bet), will be considered a call.
- 7.35 Methods of calling by entrants include:
- (a) Saying "Call"; or
  - (b) Pushing out chips equal to the amount to call; or
  - (c) Silently pushing out an oversized chip; or
  - (d) Silently pushing out multiple chips equal to a call under the multi-chip rule (7.34); or
  - (e) Silently betting chip(s) relatively tiny to the bet (ex: blinds 2,000/4,000/4,000. Entrant A goes All-In for \$40,000; Entrant B then silently puts out 1 x \$1,000 chip), this action while not encouraged may be deemed a call by the Tournament Director and a penalty may be imposed under rule 7.41.
- 7.36 Any action out of turn (check, call, or raise) will be backed up to the correct entrant in order. The out of turn action is subject to penalty and is binding if action to the out of turn Entrant does not change. A check, call or fold by the correct Entrant does not change action. If action changes, the out of turn action is not binding; any bet or raise is returned to the out of turn entrant who now has all options: call, raise, or fold. An out of turn fold is binding.

### **Example 1.**

Post flop Seat 3 opens for 300, Seat 4 folds, action is on Seat 5 when Seat 6 declares "raise to eight hundred".

Step 1: Action backs up to the correct entrant in order (Seat 5) who is facing a bet of 300.

Step 2: If Seat 5 calls or folds then the action (a 300 bet) has not changed and Seat 6's out of turn raise is binding (raise to 800). However, if Seat 5 raises to 600 total, then the action to Seat 6 has changed from a 300 bet to a 600 bet. If action changes, the 800 chips may be returned to Seat 6 who has all options open: call 600, re-raise to at least 900, or fold.

### **Example 2.**

Post flop Seat 3 checks, Seat 4 checks, action is on Seat 5 when Seat 6 declares "check".

Step 1: Action backs up to the correct entrant in order (Seat 5) who is not facing a bet.

Step 2: If Seat 5 checks, then the action (a check) has not changed and Seat 6's out of turn check is binding. However, if Seat 5 bets, (say, 300), then the action to Seat 6 has changed from a check to a 300 bet. If action changes, then Seat 6 has all options open: call 300, raise to at least 600, or fold.

- 7.37 Entrants skipped by out of turn action must defend their right to act. If a skipped entrant had reasonable time and does not speak up before substantial action out of turn occurs after the entrant, the out of turn action is binding. Action backs up and the floor will rule on how to treat the skipped entrant given the circumstances, including ruling the hand dead or limiting the entrant to non-aggressive action.
- 7.38 During a Bounty Tournament, an Entrant will be assumed to have gone All-In if they throw in their Bounty Chip during a round of betting.
- 7.39 Where only two Entrants remain in the game, all rules pertaining to the order of wagering and order of play shall be amended to the extent that the designated Entrant will be the first to place the blind and shall be the first to bet or fold in the first betting round.
- 7.40 The Casino Operator will not charge a participation fee nor charge commission on any round of play during the tournament.
- 7.41 Penalties may be imposed at the Tournament Director's discretion. Penalties available for use shall be verbal warnings and/or missed hands or missed orbits. Missed hands or orbit penalties may include 1, 2, 3 or 4 orbits away from the table. During penalties of missed hands or orbits, the Entrant must remain away from the table. Cards are dealt to the Entrants seat, and blinds and antes will be posted from the Entrants stack as required, with the hand mucked after each initial deal. In extreme circumstances an Entrant may face disqualification. An Entrant who is disqualified shall have their chips removed from play.
- 7.42 An Entrant who exposes their hand during a round of play will not have their hand folded but may incur a Penalty.
- 7.43 Tournament Entrants must not advise or seek advice from another tournament Entrant or person not involved in the tournament during play.
- 7.44 From time to time, the Tournament Director will substitute Entrant's chips of lower denominations with chips of higher denominations -'Chip Race'. To the extent that an entrant's lower denomination chips fail to evenly amount to the value of the new higher denomination chip (respectively, "Odd Chips", "New Chip"), the Chip Race will proceed as follows:
- (a) The total value of all Odd Chips on the table is tallied.
  - (b) As many New Chips as together wholly equate to the value of the Odd Chip tally are set aside for play and as many of the Odd Chips as equate to the value of those New Chips are removed from play.
  - (c) If the value of the remaining Odd Chips (if any) equates to less than 50% of the value of a single New Chip, those Odd Chips are removed from play and no further New Chips are set aside for play. If the value of the remaining Odd Chips equates to 50% or more of the value of a single New Chip, a single New Chip is set aside for play and those remaining Odd Chips are removed from play (e.g., Totals of \$450 and \$475 denomination would all equal 5 x \$100 chips for the race).
  - (d) A "Race-off" is conducted to award the New Chips to Entrants who possessed Odd Chips. Starting at the first seating position to the left of the dealer, the dealer will deal cards to Entrant's face-up. Each Entrant will be dealt a number of cards corresponding to the number of Odd Chips they possess.

- (e) The Entrant with the highest card value receives a New Chip and in sequence each Entrant with the next highest card value receives a New Chip until there are no further New Chips in the Race-off. If 2 Entrants have the same value card and there is one chip left an additional card will be dealt to each of these Entrants.
- (f) Each Entrant may receive a maximum of one chip in any given Chip Race.
- (g) If, following a Race-off, an Entrant has no chips of any denomination, that Entrant will receive a single chip of the lowest denomination in play.
- (h) If after a Race-off is completed, an entrant still has chips of a removed denomination, they will be exchanged for current denominations only at equal value. Chips of removed denominations that do not fully total at least the smallest denomination in play will be removed without compensation.

7.45 It is the Entrant's responsibility to always protect their hand. If a dealer mucks an unprotected hand, the Entrant will have no redress and will not be entitled to have any wagered chips returned. An exception would be if an Entrant raised and the raise had not been called yet, the Entrant would be entitled to receive the raise back.

7.46 It is the Entrants responsibility to determine the correct amount of an opponent's bet before calling, regardless of what is stated by the dealer or other Entrants. If an Entrant requests a count for the amount to call but receives incorrect information from the dealer or entrants, then places that amount in the pot, the Entrant is assumed to accept the full correct action and is subject to the correct bet or all-in amount.

7.47 Entrants may not talk on a phone at the table. Ring tones, music, images, video etc. should be inaudible and non-disturbing to others. Betting apps and charts may not be used by entrants with live hands. These and other devices, tools, photography, videography, and communication must not create a nuisance, delay the game, or create competitive advantage. Violations may be subject to penalties held under Rule 7.41.

- j) Entrants should keep all remaining time-bank chips with them throughout the duration of the tournament.
- k) Upon reaching the final table of the tournament, each remaining entrant will reset to five (5) 30-second time-bank chips.
- l) Time-bank chips are to be treated with the same level of importance as tournament chips. In the case that the field reaches the conclusion of a day's play during the Action Clock portion of the tournament before the final table is reached, all remaining entrants will place any unused time-bank chips in their chip bag to return with the following day.
- m) Entrants are required to keep remaining time-bank chips visible at all times during play.
- n) If an Entrant wishes to use a time-bank chip, the entrant is to pass the time-bank chip forward to the dealer in exchange for an additional 15 seconds to be added to their Action Clock.
- o) In the case that the Action Clock expires for an entrant with remaining time-bank chips, the entrant's Action Clock will be automatically extended an additional 15 seconds before the dealer collects the time bank chip(s) used. Collection will take place at the end of the

entrant's action. If an entrant's Action Clock expires and the entrant does not have any time-extension chips remaining, the entrant will be (a) forced to check if there is no bet pending or (b) fold if facing a bet or a raise.

- p) The Action Clock will only be paused if there is an extreme situation that calls for play to be halted.

#### **7.49 Milestone Satellite Rules**

- a) An Entrant who accumulates the required amount of tournament chips ("The Milestone") or more will instantly be awarded one (1) Tournament Entry. Upon verification from the tournament supervisor that the entrant has achieved the Milestone, the entrant will cease play and the total of their chips will be removed from play. An Entrant can only win one Tournament Entry per Milestone Satellite.
- b) The Tournament will conclude when the number of Entrants remaining is equal to the number of prizes generated based on the satellite prize pool, less the number of Entrants who have previously won the prize by reaching the Milestone. Any Satellite prize pool funds remaining will be paid as a single cash\* prize.
- c) While the tournament staff will make the best effort to identify Entrants as they achieve the Milestone, it is the responsibility of each individual entrant to notify the dealer or Tournament Supervisor when they have reached the required amount in tournament chips.
- d) An Entrant who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, an Entrants' chip total falls below the Milestone they are not eligible to receive the Tournament Milestone Prize until their chip total is once again equal to or greater than the required amount.
- e) A Tournament Supervisor must be called to verify the tournament chip count of an Entrant who is making a claim for a Tournament Milestone Prize. Entrants may request that a Tournament Supervisor count their stack at any time between hands.
- f) An Entrant who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.
