

MANAGING YOUR FUNDS & PURCHASING ENTRIES FOR WPT AUSTRALIA

We cannot wait to welcome you to The Star Sydney for this year's WPT Australia festival, which takes place in Sydney's premier poker room from 18 September to 1 October 2025.

In line with the NSW Casino Control Act, there are daily cash limits of \$5,000 for gaming play, and all tournament entries (inclusive of satellites) can be purchased using gaming chips only.

As an overseas player, the simplest way for you to access funds is to bank / wire transfer them ahead of time to The Star Sydney Casino account, to then draw down on during your stay.

PLEASE FOLLOW THE BELOW STEPS TO COMPLETE THIS PROCESS AND HAVE EASY ACCESS TO YOUR FUNDS:

STEP 1:

To participate in WPT Australia events, and to have your funds allocated to your account, you must become a Member of The Star Club (our loyalty program).

Joining is free and you can start the process before you arrive at:
www.thestarclub.com.au/sign-up

Upon arrival to The Star Sydney, visit the Guest Service Desk on the Main Casino Floor and complete your registration, verify your identity and collect your Membership Card.

Please note, you must bring your passport with you in order to verify your identity and complete your registration. No exceptions can be made for forgotten ID, and international driver's licenses are not accepted for sign-up.

STEP 3:

VERIFY YOUR BANK / WIRE TRANSFER AT THE CASHIER

Once you have received your Membership Card, head to the Cashier on the Main Casino Floor to verify your bank / wire transfer and have the funds released to your account. To verify your transfer, please ensure you bring the following with you:

- Your new Membership Card;
- Your passport; AND
- Proof of transfer via a phone banking app or via a Bank Account Statement or Bank Receipt, to ensure the funds were transferred from a personal bank account in your name.

Once this has been verified, the funds will be allocated to your Star Account.

STEP 4:

PURCHASE GAMING CHIPS

Now that your funds are loaded onto your Star Account, you can purchase gaming chips to fund your tournament entries from the Chip Purchase Desk at the Main Casino Floor, or directly from a gaming table.

To do so, you just require your Membership Card and your PIN (that you set upon joining).

STEP 5:

PURCHASE YOUR TOURNAMENT ENTRIES

Once you have purchased your gaming chips, see the friendly team at the Poker Desk with your Membership Card to register for your chosen tournament.

The team will then enter you into your chosen tournament and issue you with your entry ticket.

Present this ticket with your Membership Card to the dealer at your assigned table, who will then issue you with your tournament chips.
