HOW IT WORKS

One Bounty Chip will be allocated to each player prior to play commencing with each Bounty Chip valued at \$200.

A second Bounty Chip will be allocated (once registration is closed) to all remaining players when the entry number is reduced to 40% of the field remaining (rounded Down), with each of the second Bounty Chips valued at \$500 and with any money remaining in the Bounty Prize Pool being awarded to the overall tournament winner.

When a Player eliminates another player, they will win that players \$200 Bounty Chip. Once the second Bounty Chip is introduced when a player eliminates another player, they will win both Bounty Chips for a total of \$700.

Players who share a pot where a Bounty Chip/Chips is won will split the value of the Bounty.

Guests must be aged 18 years or over to enter the casino. Player Activity Statements are available on request at the Guest Service Desk, via The Star App or our website. BET WITH YOUR HEAD, NOT OVER IT. Gambling Helpline 1800 858 858 gamblinghelpqld.org.au
