1 HOW TO PURCHASE YOUR TOURNAMENT ENTRIES

In line with NSW Casino Control Act regulations on cash usage for gaming play, all Sydney Champs tournament entries (inclusive of satellites) can be purchased using gaming chips only.

2 HOW TO PURCHASE GAMING CHIPS

Gaming chips can be purchased from the Chip Purchase Desk at the Main Casino Floor Cashier (using cash, EFTPOS or funds from your Star Account).

Gaming chips can also be purchased directly from a gaming table (using cash or funds from your Star Account). To speed up the tournament entry process, we advise you to request exact denominations in gaming chips for your tournament entry when purchasing your gaming chips. Please note, any cash used to purchase chips will count towards your daily \$5,000 cash limit.

3 HOW TO USE YOUR STAR ACCOUNT

Using your Star Account is the easiest way for you to electronically fund your play at The Star Sydney. To activate and fund your Star account you must have your physical Membership Card and know your PIN number. If you don't have either of these, please see the team at the Membership Desk on the Main Casino Floor who can assist you.

To load funds on your account, simply:

1. Visit a Cashier with your Membership Card and request a top up to your Star Account.
2. Use cash (to the daily limit of \$5,000) or EFTPOS to top up your account.
3. Use your PIN to verify your account.

Please note, EFTPOS transactions must be via an Australian Debit Card. Credit Cards and International Debit Cards will not be accepted.

Once you have funds in your account, you can either:

1. Purchase chips from the Cashier from your Star Account or
2. Purchase chips at a gaming table using cash or funds from your Star Account.

4 ONCE YOU HAVE PURCHASED YOUR GAMING CHIPS

1. Visit the team at the Poker Desk with your Membership Card and gaming chips to register for your chosen tournament.
2. The team will enter you into your chosen tournament and issue you with your tournament entry ticket.

3. Present this ticket with your Membership Card to the dealer at your assigned table, who will issue you your tournament chips.

Along with this change, the limit for cash payouts on tournament winnings will also be reduced, to a maximum of \$5,000 per transaction. If the winnings are more than \$5,000, the excess amount will be paid by electronic transfer, by cheque or deposited into your Star Account.
