

MANAGING YOUR FUNDS & PURCHASING ENTRIES FOR WPT AUSTRALIA

We cannot wait to welcome you to The Star Sydney for this year's WPT Australia festival, which takes place in Sydney's premier poker room from 10 to 30 September 2026.

In line with the NSW Casino Control Act, please be advised that there are daily cash limits of \$5,000 for gaming play. This includes the purchasing of tournament entries. There are a number of different ways you can fund your play at The Star Sydney.

PLEASE FAMILIARISE YOURSELF WITH THE BELOW AHEAD OF TIME TO ENSURE YOU CAN MAXIMISE YOUR WPT AUSTRALIA EXPERIENCE:

OPTION 1: PRELOADING FUNDS ONTO YOUR STAR ACCOUNT USING EFTPOS

Using your Star Account is the easiest way for you to electronically fund your play at The Star Sydney. To activate and fund your Star account you must have your physical Membership Card and know your PIN number. If you don't have either of these, please see the team at the Guest Service Desk on the Main Casino Floor who can assist you.

To load funds on your account, simply:

1. Visit the dedicated EFTPOS Entry Desk in the Poker Room with your Membership Card and request a top up to your Star Account.
2. Use your PIN to verify your account. Once you have funds in your account a second team member at the EFTPOS Entry Desk will process your tournament entry for you.

Please note, EFTPOS transactions must be via an Australian Debit Card. Credit Cards and International Debit Cards will not be accepted. There is a cooling off period of 15-minutes for every additional EFTPOS transaction after your first transaction per calendar day – funds cannot be released to your Star Account until this 15-minute cooling off period has lapsed.

OPTION 2: USING CASH

You can now purchase entries directly at the Poker Desk with cash, up to the daily limit of \$5,000.

Simply take your cash along with your Membership Card and the friendly team will process your tournament entry.

OPTION 3:

USING GAMING CHIPS

Gaming chips can be purchased with cash or via EFTPOS from the Chip Purchase Desk at the Main Casino Floor, or with cash directly from a gaming table. ***Please note, any cash used to purchase gaming chips will count towards your daily \$5,000 cash limit.***

It is acceptable for you to purchase gaming chips across multiple days (in line with your daily limit), to then use for WPT Australia entries.

Once you have your gaming chips, take them to the Poker Desk along with your Membership Card and the friendly team will process your tournament entry.

OPTION 4:
