1. ENTRY AND BUY-IN

Players may enter the Tournament up until the Close of Rego by paying the Buy-in.

2. TOURNAMENT STRUCTURE

Each table in the Tournament will have the Maximum Players where possible and is subject to change at the discretion of the Tournament Supervisor.

At the end of the first blind level all the available seats that have not been allocated will have their table stake removed, and then every player who buys-in to the Tournament prior to the start of level 7 will be considered an alternate.

Any player that is considered an alternate will be seated with a full Starting Stack when their seat becomes available. The Tournament Supervisor will move players to facilitate the balancing and/or breaking of tables to ensure the efficient running of the Tournament.

Tables will be balanced in order to maximize the number of players and to regulate approximate even numbers of players on each table as player and table numbers reduce.

The method of balancing tables will be: a player who is closest to the left of the big blind on a table with more players will fill the seat closest to the left of the big blind on a table with fewer players in order to even out player numbers.

As players are eliminated (lose all their chips) from the Tournament, the Tournament Supervisor will break tables from play in order to maximize the number of players at each table.

Tables will be broken in a pre-set order, with those players being assigned to empty seats at other tables as needed to ensure reasonable balancing.

3. TOURNAMENT CHIPS

Each player shall be issued with a Starting Stack prior to the start of the Tournament.

The order of wagering will be in accordance with The Star Poker Rules.

Any player removing Tournament chips from the table will be disqualified from the Tournament and excluded from any further Tournaments at The Star.

4. ALLOCATION OF WAGERING AREAS

Allocation of wagering/seat positions will be done by a manual or electronic system after payment has been made. A Player who has not taken their seat by the commencement of the second break will be disqualified and their remaining chips will be removed from play.

Player (a) who starts at the wrong table/seat with the correct chip stack will remain at that table/seat. Then player (b) whose seat that has been taken will now be seated at player (a) seat. I.E Players will have switched seats. Player (a) will be awarded a 1 round penalty from the next hand that the error has been discovered.

Players seated on the new table assume all responsibilities of that position and shall be dealt in immediately. The only variation to this shall be if a new player to a table takes up a position between the small blind and the button, in this case they must wait until the button has passed.

Play will extend to a maximum **14** levels on Day 1 or until a final table of 9 players is reached. At the completion of play on day 1, all remaining players shall have their chips counted and placed in secure bags for their return on Day 2.

5. WAGERS

There is no maximum limit to the size or number of raises permitted in each round of play. The minimum raise must not be lower than the big blind and or must not be less than any previous bet or raise in the betting round, except where a player goes all-in.

Blind levels will increment in accordance to the Blind Duration. The Tournament Supervisor shall increase the blinds at their discretion, providing all players are advised prior to the round of play in which the blinds are to be increased and no wagers have been placed or cards dealt prior to the announcement. Any increase to the blinds will follow the order, as set out below, though may not necessarily progress to the maximum.

6. TIME RESTRICTION

The Tournament Supervisor may impose a time restriction on any player deemed to be taking too long to make a decision. On being advised by the Tournament Supervisor that the time limit is being imposed the player shall then be given 40 seconds to make and act on their decision. A player who fails to make a decision within the 40-second time limit will have their hand declared dead unless they have the option of check in which case their hand will be considered check.

7. ELIGIBILITY FOR ENTRY

Only persons entitled to enter the casino and gamble, that are Star Club or Sovereign Room members are eligible to enter the Tournament. The Tournament Supervisor may, at their discretion, permit entry to the Tournament for non-members.

8. PRIZES

Prize money will be paid in full by cash or cheque by the casino operator at the cage following the conclusion of the Tournament.

9. IMAGE, LIKENESS AND RELEASE

By entering the Tournament, each player acknowledges and agrees to each of the following conditions of entry:
